The **War on the Greens** golf tournament, organized by **Alabama Veteran**, honors fallen service members and first responders from Alabama. Each year the event recognizes a specific **Fallen Soldier, First Responder, or Gold Star Family**, ensuring their sacrifice is never forgotten. This year we are proud to honor the three fallen soldiers of the **99th Air Refueling Squadron, 117th Air Refueling Wing**, who gave their lives on March 12, 2026 during Operation Epic Fury: **Maj. John "Alex" Kliner, Capt. Ariana G. Savino, and Tech. Sgt. Ashley B. Pruitt**. Their courage and service to this nation will never be forgotten. The tournament pairs veterans with fellow players to build camaraderie, foster connection, and support the mental and emotional wellbeing of those who served.
